oOo

ORDER:

The Energy Department have stated that, in the reference 1st read above, the Chief Engineer (HO), Nuclear Power Corporation of India Limited (NPCIL), has reported that the Government of India has given principle approval for new project site for light water reactors in Andhra Pradesh among other states at Kovvada, Srikakulam District in Andhra Pradesh for setting up of 6x1000 Mwe Light Water Reactors. He has also stated that the State of Andhra Pradesh has appointed APGENCO as the nodal agency for the Nuclear Power Projects to be set up at Kovvada and land for Kovvada Nuclear Power Project was identified during the site selection process. He has to file requisition with the A.P. State Authorities for acquisition of land on behalf of Nuclear Power Corporation of India Limited (MPCIL). The Nuclear Power Corporation of India Limited proposes to acquire an area of 775.50 hectors. In addition NPCIL also requires an additional 125 hectors for construction of their township within the distance of 5 to 10 Kms from Plant site to accommodate Operations and Maintenance Personnel for 6 Reactor Units along with CISF quarters.

2. In the reference 2nd read above, the District Collector, Srikakulam has sent proposals for sanction of certain staff for the proposed units for initiation of process of land acquisition. The expenditure is proposed to be met by Nuclear Power Corporation of India Limited.

3. In the reference 3rd read above, the Energy (PR.IV) Department have proposed for sanction of certain posts i.e the staff pattern for land acquisition for establishment of Nuclear Power Plant at Kovvada, Ranastalam Mandal, Srikakulam District.
